Some student feedback from our Learning Check-In

What's working well...

- ♦ Sticking to the timetable & school hours — a routine helps.
- ♦ Having a quiet study space. A quiet family helps too!
- ♦ Taking regular breaks — screen time is tiring.
- ♦ Getting exercise. Breaks up the day. Keeps me positive.
- ♦ Talking to friends, family. Support is important.
- ♦ Communication with teachers — not learning alone.
- ♦ Avoiding phones during school time!
