Made a poster for
her neighbour
and left it at their
door!

"I baked some Easter cupcakes and added a little note ! I gave them to my grandparents and also to my elderly neighbour. Not just to celebrate Easter but to show that they are not alone during this time of need and that I'd see them soon!"

Danielle Harford

Amber Finnegan

"Myself and my sisters baked some cookies and rocky road as part of Le Cheile Day, we gifted them to my next door neighbour, our elderly neighbour across the road and to our grandparents, to show we care and miss them lots, and also for an Easter treat! "

“Below are photos of me giving some cakes to my dad Fergus Ashe who is the Allied Services Manager in Children’s Hospital Ireland, Temple Street. He is going to bring them in to the staff, to give them a boost and to thank them for all the work they are doing during this uneasy time.”

Sarochinee Ashe B4

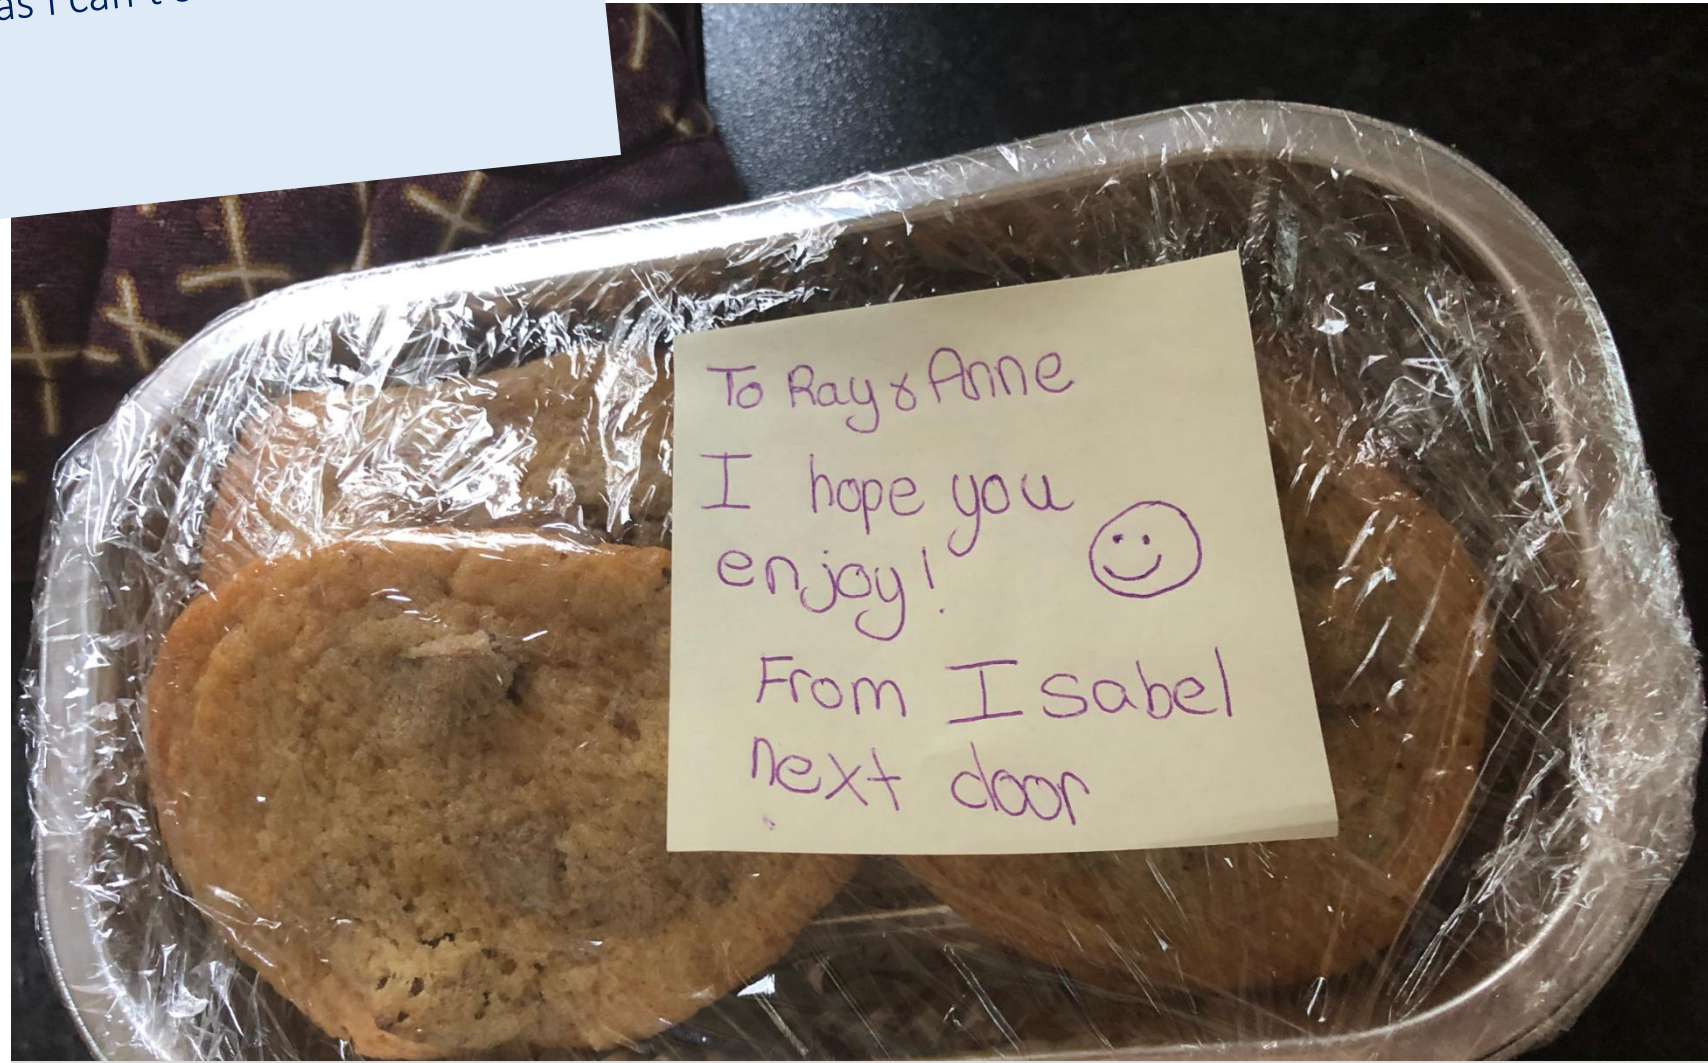

"I FaceTimed my family members as I can't see them in real life due to social distancing."

Alexandra Quirke

Eabha Garry- "I made a cake for my mom."

"I made cookies for my older neighbours who have to stay inside."

I made my mam and dad

dinner

You are kind
I showed kindness by helping my mam do my house work.

I showed kindness by playing with my kind sisters.

Cheile

If you are kind people will be kind to you
I should help in the house more because that's being kind

Don't be scared to talk to someone kindly.

I showed kindness by helping my younger sister with her work

I showed kindness by telling my mam and dad I love them.

Be happy,
Be kind, my heart feels kind.

Let's show the world we can be kind!

“This week I decided to help around the house more and I also baked a cake and gave to my neighbour (by ringing on the doorbell and leaving it on the doorstep).”

Elaine Waters

Abbie Bailey- *“I made vegan samosas for my family.”*

Rachel Davis C1

“I delivered this fruit hamper to my 89 year old granny who is cocooning in her house.

I also made her an apple crumble and some other food supplies as she can't go to the shops.

She was delighted with the surprise.

I haven't seen her in 4 weeks due to the Covid-19.

I also put on my uniform the reverse of non uniform day!”

“I Made a card for a neighbour for le chéile day.”

Caoilin Dunne

“I made my sister snacks in the morning because she was working really hard for school. I later made brownies for my family since I can't give anything to my older neighbours at the moment. My family got together and did something special for each other.”

Holly Wende-Doyle

Clara Flinter B2

“I made apple cinnamon rolls for my family because I made cinnamon rolls a few weeks ago and my sister really, really wanted me to try and make some with apple in them. So I tried them for her yesterday!”

*Cassie Dunlevy C3:
“I babysat my little brother today, so my parents could paint a cabinet and I made dinner, lunch and served them breakfast in bed.”*

“My elderly neighbour lives alone a few doors down from me. It was her birthday on the 30th so we dropped her over a birthday/Easter hamper (she also loves macarons so we gave her some of those too) and left it at her doorstep (for social distancing). She later called us and told us she loved it!
