TERENURE

Over the past week,
we have been reflecting
on what we are thankful
for during this difficult
time!

Our Sisters of Religious of
Christian Education.

*“We are grateful for the
special time we spend
together in the Chapel
praying for those affected by
the virus and for the
frontline workers.”*

A photograph of a garden bed. The top half features a cluster of white daisies with dark purple centers. The bottom half is dominated by a dense group of bright purple daisies. To the right, there are some pink roses and scattered brown autumn leaves. A white text box with a thin gold border is centered over the image.

“We are also grateful for the generosity of people who look out for us and the support we’ve been given during this time.” Sisters of Religious of Christian Education.

“I am grateful for the beauty of nature that surrounds us.” Mrs Gorby

**“A Cheerful sight
with amazing
perfume.”**

Sports

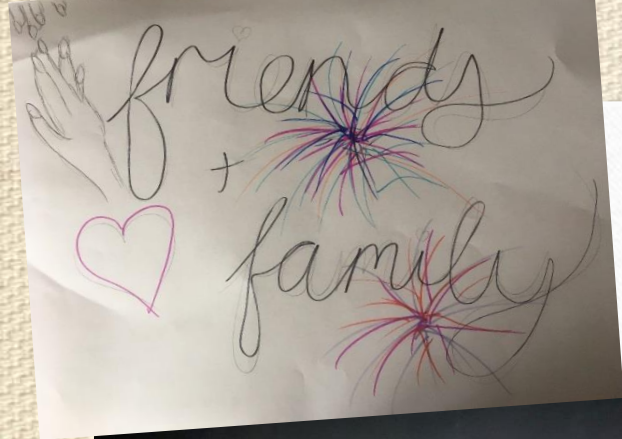

The word "Sports" is written in a stylized, hand-drawn font. Each letter is filled with a different sports-related illustration: the 'S' contains a yellow tennis ball; the 'P' features a baseball bat with red and yellow stripes; the 'o' is a soccer ball with black pentagons; the 'r' is a red and white striped sock; and the 't' is a blue tennis racket with a white grid. The letters are outlined in black and set against a plain white background.
