New Beginnings

To Do:

OLS 1ST
Years
2021!

INDUCTION PROGRAMME

1. Day 1 - Induction
Full Day Introduction & Orientation
2. Week 1 - 1st Class Each Morning
3. Digital Induction Lessons
4. Meeting the Team
5. Learning to Safe during COVID
6. New Beginnings Programme

Chapter 1 New Beginnings

Welcome to Our Lady's and your New Beginnings is an induction programme designed to help you learn all you need to know about our school and staff. It is designed to help you learn all you need to know about our school. Whether you're feeling nervous, excited or happy, we hope you enjoy your journey with us.

Chapter 2 Managing Myself

Chapter 3 Behaviour for Learning

Chapter 4 New Subjects and Teachers

Chapter 5 Getting Involved in Life Outside of the Classroom at OLS

The Student Council

The aim of the student council is to create a positive school atmosphere and encourage students to participate more fully in the school. Students develop important life skills through initiating projects and solving problems. It encourages students to develop communication and leadership skills as well as to promote a respectful partnership between staff and students.

MASTERMIND

Do you know your
general knowledge?

What does it include?
Thursdays at lunch time-
expanding general knowledge
questions and solving riddles
and problems. (Round 1)

You then choose a specific
topic, where I can ask any
questions on your topic. It can
be any topic... George Clooney,
Irish bloggers, Makeup. (Round
2)

As the year goes on, students
will battle against each other
to become a finalist.
The final will be against a
teacher who has also become a
finalist.

Would you challenge?

Are you
quizzed?

Who will win the
Mastermind Lady's...
the master students.

Are you brave enough to face
the final round?

OLS Systems Overview

VSware is used:

- ⇒ To manage all our school information, including parents' contact details.
- ⇒ By teachers to take class rolls and write reports.
- ⇒ By parents to read students' reports.

Parent action needed:

Parents receive a text from the school office with a username and instructions and follow these to create their own password for future access:

Important:

If parents change their contact details they must contact the school office to request that the VSware record is changed. VSware details feed all of the school systems so an inaccuracy here compromises the other systems.

The School App is used:

- ⇒ By parents to notify the school about student absence/late arrival/permission to leave early.
- ⇒ By parents to submit permission slips for trips.
- ⇒ By students & parents to receive notifications about school events/news.

Parent action needed:

Parents need to download the app and **register as a parent**, using **the email address and phone number** that are **on the school VSware records** for the parent.

Further App Download Information is under the Documents tab on the school website.

Important:

If a parent registers with contact information that does not match VSware records, the app will not recognise the parent and access to attendance and permission features will not be granted.

If you need to amend school records, please email admin@olschool.ie.

If you have another difficulty accessing the app please contact the app company on 01- 8603477.

Easy Payments is used:

- ⇒ By parents to pay various school costs that arise throughout the school year.

Parent action needed:

Click on the Easy Payments icon (pictured above) on the website banner and then follow the instructions to set up a new account:

If you have not activated your account, please [Activate now](#)

Our Lady's School Templeogue (New Account)

Important:

Parents need to use **the email address and phone number** that are **on the school VSware records** for the parent.

If a parent registers with alternative contact information, the system will not recognise the parent.

If you need to amend school records, please email admin@olschool.ie.

If you have another difficulty accessing Easy Payments please email admin@olschool.ie.

Parents: Your co-operation in working with us to build strong communications systems in our school is very much appreciated. Links to all our school systems are at the top of the school website. Easy Payments is accessible via Shop on the App menu. If further clarification is needed, please contact admin@olschool.ie.
